

REMARKS

1. Claims 1, 8 and 15 are corrected according to the Examiner,s recommendations to place this application in condition for allowance. All the other claims are original.

Each claim has been provided with the proper status identifier required by 37 CFR 1.121.

2. Applicant respectfully submits that the claims now more strictly reflect the invention disclosed in the specification including the preliminary amendment filed on November 12, 2004 and the Application is in condition for allowance. Applicant respectfully solicits early notification of same.

Respectfully submitted

Vladimir M. Kabakov

Enclosed:
